

# Kids Church

## Discovery Elim Christian Centre

### Powertots

Powertots is for babies and young children under 2 years of age to sit in a quiet area where an AV feed of the service is available to listen to. Our Powertots leaders are available to provide you with some amazing support with your little ones while you're there.

### Powersparks

Powersparks is for children aged 2-5 years inclusive. In this group there is a great opportunity for children to hear the word of God through interactive activities, stories teach and fun. This is also a time to build relationships with each other with a short time for joint play. Morning tea is provided for this group so please ensure that the Children's Ministry Leader is aware of any food allergies.

### Powerzone

Powerzone is for our slightly older aged children, 5-10 years. We run a more mature, yet fun and engaging bible based series. Children learn through interaction, games and working together. We want to help them develop their faith and walk with Jesus.

### Voltage

Voltage is considered young people who have come out of children's group. Aged 11 and up, they are ready to learn about what it means to be part of the church and its community through learning, participation, serving and a whole lot of fun. At Discovery Elim on a Sunday, youth have the opportunity to develop their gifts and natural strengths through a fortnightly based program where 2 weeks of each month they will be part of their own learning group and the 2 weeks following will be official youth leaders, supporting other activities and programs within the church. This gives them the opportunity to exercise those gifts and strengths while learning how to give with their time and build a relationship with God.
